OBJECTIVE

Motivated Computer Science graduate with a strong foundation in **Python, Data Structures and Algorithms, SQL, and Software Development**. Hands-on experience developing **Python-based applications and data-driven solutions** through academic and personal projects. Looking for an entry-level opportunity to apply my **problem-solving and programming skills**, learn from experienced professionals, and contribute to building useful and reliable software solutions.

TECHNOLOGIES

- Languages: Python, C,Java,SQL
- Cloud Technologies:AWS,Azure
- Database Technologies:MySQL
- Framework Technologies: Pandas, NumPy,Matplotlib, Seaborn,Scikit-learn,GIT

PROJECTS

Smart Research Assistant

Jan 2025- May 2025

Engineered an end-to-end AI documentation assistant utilizing Python and Azure OpenAI APIs.

- Reduced manual text processing time by 40% by implementing custom prompt engineering techniques to maximize output accuracy.
- Automated the parsing of unstructured document files into clean JSON payloads, evaluating API latency and token cost efficiency.

Heart Disease Prediction

Dec 2025- feb 2026

Developed an ML pipeline using an XGBoost model for predictive analytics.

- Improved classification accuracy by 15% through systematic data preprocessing, feature mapping, and statistical model evaluation.

Nutrition Checker (Data Backend Optimization)

2024

Created a local health-tracking application focused on clean data management.

- Maintained 100% data integrity during concurrent user updates by writing optimized SQL schemas and robust validation logic.

EDUCATION

Greater Noida Institute of Technology (AKTU) - 7.0 CGPA

2022 – 2026

B.Tech in Computer Science Engineering

Relevant Coursework: Data Structures and Algorithms, Database Management Systems, Machine Learning Foundations

CERTIFICATIONS

Python Programming (2023), AWS S3 Basics (2024), IIT Bombay C Programming (2024), AMCAT (2025).

ACHIEVEMENTS & EXTRACURRICULAR ACTIVITIES

- Selected twice at the National Level in **Kendriya Vidyalaya Sports Meet**, representing the region in competitive sports events.
- Attended a **TED Talk** event, gaining exposure to leadership, innovation, and emerging technology trends.
- Awarded the **Passionate Learner Award** by the college for outstanding learning enthusiasm, academic engagement, and consistent attendance.
- Won **1st Prize in Filmography/Filmmaking Competition** for creativity, storytelling, and visual presentation.
